**PREVENT PREPARE PERFORM**

December 11, 2019

To: Citizens of the Estes Valley  
From: Fire Chief David Wolf

Dear Citizens,

As we conclude 2019, I am excited to report progress made during the year and outline some of our goals for the coming year. The Board of Directors, Staff, and Volunteers of the Estes Valley Fire Protection District have been hard at work to ensure we fulfill our organization's mission – to provide the citizens of and visitors to the Estes Valley with superior fire prevention, fire protection, and emergency services in a safe and efficient manner. We will be posting a full annual report next month with reports from each Division.

The state of our organization is strong. Last year I outlined several of our goals and am pleased to report the successful completion of those plus many others. A focus for our organization has been to continue operating within our means and prioritize our efforts on the areas where we can have the greatest impact for our citizens. This included:

- Administration
  - Increased benefits for our volunteers, providing for our most valuable resource
  - Added the PulsePoint application to our community for increased communication
  - Received two grants:
    - From the Division of Fire Prevention and Control for firefighter testing equipment
    - From Larimer County Behavioral Health for a new mental wellness program
- Prevention
  - Adopted the 2018 version of the International Fire Code, with subsequent ratification by both the Town of Estes Park and Larimer County
  - Participated in National “Close Before You Doze” Campaign
- Training
  - Our members completed over 8,000 hours of training between internal and external courses
  - Estes instructors provided over 13,000 person hours of training to students from other agencies through courses we hosted and a traveling instructor cadre
  - We hosted our third fire academy with students from Estes Valley and all mutual aid departments (Glen Haven, Allenspark, Pinewood, Big Elk, Loveland, and Lyons),
- Operations
  - Put new Ladder 71 into service, replacing two aging apparatus
  - Increased our capabilities for rope rescue, especially high angle
  - Increased our capabilities for swiftwater rescue

## **ESTES VALLEY FIRE PROTECTION DISTRICT**

**PREVENT PREPARE PERFORM**

A theme this year was collaboration. We have been increasing our training with our mutual aid partners for some time, and that work is bearing fruit through our shared responses. Representatives from Estes Valley Fire have been involved in statewide lobbying on wildfire issues, projects to increase mutual aid capabilities across Colorado, and national research panels.

As we look towards 2020, we have several exciting opportunities for our District. We continue to work closely with our mutual aid partners for opportunities to increase the quality of service we provide. We will work on formalizing our strategic plan, increasing our volunteer numbers, and maintaining our transparency and good financial stewardship.

It is a privilege to serve this great community, and we are proud to continue to do so as a 95% volunteer organization. Stay tuned for more updates in our annual report to be released in late January 2020.

Sincerely,

David Wolf, Fire Chief  
Estes Valley Fire Protection District
